

URBAN CORPS VOLUNTEER PROGRAM

COVID-19 SAFETY PROCEDURES

Downtown Akron Partnership works to create a vibrant and beautiful downtown for all people to enjoy, and that work is even more important today.

Prior to the COVID-19 outbreak, plans were underway to update and/or maintain placemaking and beautification efforts throughout downtown with the help of our Urban Corps volunteers. We are still committed to completing this work so the community can enjoy beautiful public spaces in the weeks and months ahead.

CONSIDERATIONS FOR VOLUNTEERS

The safety of our volunteers is our number one concern, and we can assure you that the work will be done in accordance with all safety protocols outlined by our local, state and federal officials.

We will...

Work in groups of less than 10

Maintain a minimum of 6ft distance between individuals

Disinfect all tools in between uses

Have PPE available for staff and volunteers as needed or is deemed appropriate.

If you are interested in volunteering, visit downtownakron.com/urbancorps to sign up, or email Kelli Fetter, Director of Engagement and Events, at kfetter@downtownakron.com.

PHYSICALLY DISTANCED. SOCIALLY CONNECTED. HEALTHY DOWNTOWN.
